

BEARINGS - Types

Adapters-Sleeve, Nut Washer	Cam Yoke Bearings	Max Capacity Bearings	Spindle Bearings
Agricultural Bearings	Cylindrical Bearings	Needle Bearings	Split Bearings
Babbitt Material	Electric Motor Bearings	Non-Metallic Bearings	Split Housings
Ball Bearings	Flange Bearings	Pillow Blocks	Super Precision Bearings
Ball Bushings	Hanger Bearings	Plain/Sleeve Bearings	Take-Up Bearings
Ball Screw Support Bearings	Idler Bearings	Radial Bearings	Tapered Roller Bearings
Ball Transfers	Insert Bearings	Rod Ends	Thrust Ball Bearings
Balls-Loose	Journal Bearings	Screw Conveyor Bearings	Thrust Needle Bearings
Blower Bearings	Linear Bearings and Shafting	Self Aligning Bearings	Thrust Roller Bearings
Bushings	Live Centers	Shaker Screen Bearings	Turcite
Cam Followers	Load Runners	Spherical Roller Bearings	Wheel Bearings

BEARINGS - Brands

AMI	Brewer	FYH	McGill	PBC Linear	Thomson
Aetna	Browning	General/Hyatt	Messinger	Randall	Thordon
Aurora	Bunting	Heim	Meither	Rollway	Torrington
Barden	Carter	Igus	Moline	Ruland	Tritan
BCA	Consolidated	IKO	Morse	Schatz	WJB
Bearings Castings	Fafnir	Isostatic	MRC/SKF	Silverthin	ZKL
Blue Brute	Frantz	IPTCI	Nachi	Star/Tychoway	
Bower		Ketchie Houston	Osborn	Symmco	

Power Transmission Products - Types

Adapters-Sleeve, Nut	Engineered Class Chain	Mechanical Clutches	Roller Chain	Tension Control
Acme Screws	Flat Drive Belts	Mech. Variable Speed Drives	Screwjacks	Timing Belt Pulleys
Ball Screws	Gear Couplings	Open Gearing	Shaft Collars	Timing/Synchronous Belts
Bevel Gears	Gear (Speed) Reducers	Parallel Gear Reducers	Shafting	Torque Limiting Devices
Bushings	Gear Motors	Planetary Gear Reducers	Sheaves	Transmission Belting
Chain/Sprockets	Helical Gears	Pneumatic Brakes	Silent Chain	Trencher Chain
Couplings	HTD Belts/Sprockets	Pneumatic Clutches	Speed Reducers	U-Joints & Yokes
Elastomer Couplings	Idlers	Pulleys	Spiral Bevel Gears	V-Belts
Electrical Brakes	Jaw Couplings	Reversing Drives	Spur Gears	Variable Speed Sheaves
Electrical Clutches	Linear Actuators	Right Angle Reducers	Synchronous Belts	Worm Gears
Electrical Variable Speed Drives	Mechanical Brakes	Rigid Couplings	Tapered Bushings	Drives

Power Transmission Products - Brands

Allied Locke	Dalton Gear	Formsprag	Leeson	Nook	Speed Selector
American Autogard	Dana Corp	Grove Gear	Linn Gear	Nord Gear	Spherco

Control Panel Design and Build / UL 508A Panels

A Division of ErieTec

EB Controls - Our UL508A certified industrial control panel division of ErieTec - EB Controls offers both high volume control panel solutions for OEM's or custom "design-and-build" of "one off" highly engineering control panel solutions. We can also create a production schedule to fit your budget and meet your deadlines. Ask your sales representative for additional information.

As a UL508A Control Panel Shop you can rest assured that EB Controls standards and practices adhere to the third party standards of UL.

UL508A: the most widely accepted standard for control panels in North America.

The UL Listing mark on an industrial control panel (ICP) provides evidence to satisfy the increasing number of inspection authorities requiring third-party safety certification and your customers demanding the same. The UL Listing mark may be applied to a wide variety of designs, ranging from one-of-a-kind panels to standardized designs with only minor variations.

Accessories - Seals - Lubricants - Tools - Sealants - Adhesives - Types

Absorbents	Bearing Installation/ Removal Tools	Hydraulic Hose	O-Rings & Back Up Rings	Shafting
Adhesives	Bearing Testing Equipment	Hydraulic Pumps & Rams	Oil Seals	Shim Stock/Kits
Air Hose	Discharge Hose	Keystock	Pipe Leak Control	Special Oil Seals
Alignment Tools	Filters	Locknuts & Lockwashers	Plastics	Suction Hose
Batteries & Flashlights	Fittings	Lubricants	Retaining Rings	Vibration Monitoring Equipment
Bearing Heaters	Gear Pullers	Lubricating Equipment	Sealants	Water & Specialty Hoses
Bearing Isolators	Grease Seals	Mechanical Seals	Shaft Collars	

Accessories - Seals - Lubricants - Tools - Sealants - Adhesives - Brands

Other Services

Branch Services

Locally Stocked Branches
7:00 a.m. to 5:00 p.m. M-F Branch Hours
24 Hour Emergency Service 7 Days a Week
Branch Counter Service

Repair Services

Bearing Refurbishing
Circuit Board Repair
Gearbox Rebuilding/Repair
Live Center and Spindle Repair
Ball Screw Repair
A.C. & D.C. Drive Repair
Circuit Breaker Reconditioning
Crane Control Repair
HMI/Operator Interface Repair

Cost Reduction Programs

Online Ordering
Inventory Management
Consignment Programs
Customized Invoicing Programs
Contractual Purchasing Agreements
On-Site Storeroom Management (VMI)
Cost Saving Documentation - HELP Program

Training Services

Bearing and Power Transmission Product Seminars
Motor Control Training
Variable Frequency Drives Seminars
Electrical Safety/ Electrical Maintenance
Circuit Protection Training
Sensors and Automation Product Seminars
Arc Flash Training
Customized Training
Fuse Training
Motor Training

Engineering Services

Mechanical Engineering
CAD Work/Capabilities
Material Handling Equipment Design
Electrical/Electronic Engineering
Eaton Electrical Engineering Services
Arc Flash Studies
Electrical Drive Systems
Field Service/Support
Turn-Key Installations
Thermo Scanning
Predictive/Preventative
Maintenance on Low/Medium/High Voltage Equipment
Power Conditioning
Power Factor Correction
Load Studies
Control Panel Design and Build Services

The ErieTec Mission Statement

Our mission is to provide technical solutions that improve our customer's profitability, enhance their efficiencies, and increase their employees' safety. We invest in our most important resource, our employees, through continuous education and promoting a collaborative, problem-solving culture.

A Message from Our President:

“ErieTec is not your average industrial distributor. Instead of simply selling products, we focus on providing cost effective solutions for our customers, both MRO and OEM. We want to understand your operations and the type of applications your plant has so we can offer you the solutions that will meet your needs – and save you money in the long run. As odd as it may sound, we want to provide you more by selling you less. We have 60 years of experience with industrial solutions in the tristate area – our goal is to use that expertise to increase your safety, your efficiency, and, of course, your profit.”

- Michael Ketchel, President

Solutions Specialists are available at each of our stocked branch locations:
